Welcome to our 2024 Production Sale,

We here at Apex Angus would like to welcome you to our 51st Production Sale. The many new friends and customers we have met through the Angus Business our families value and appreciate very much. Not to mention our friends and customers that have been with us and supported us in different ways for many many years. Thank You again to all.

This year again we will be selling the top of the top of our yearling bulls, 110 of the 325. This uniform set of bulls out of the top herd sires in the breed are here at the ranch and can be seen any time prior to the sale. They will be semen tested with a breeding season guarantee. The bulls have the enhanced EPD's with Angus GS and the results will be available before sale day at apexangus.com.

Also selling are 160 fancy yearling commercial heifers. These heifers are out of the heart of the commercial Apex Herds, and will mature to be super cows in the future. They are bang's vaccinated and ready to breed. Customer satisfaction is and always will be high priority here at Apex. We strive to produce seed stock that will benefit our commercial customers.

If you are unable to attend the Sale but would like to bid, pre-register with Northern Video, you can view and bid online. Another option is to get a hold of the Auctioneer, Ringman or any of us here at Apex and your bidding will be handled professionally and don't forget the sight unseen guarantee.

We again sincerely thank you for the confidence so many of you have placed in Apex Angus. We remain dedicated in producing seed stock that will enhance the commercial cattleman from birth to plate.

Sincerely,
From all of us at

Selling First 160 FANCY SOLID FOUNDATION OPEN HEIFERS

These first-class very feminine deep bodied heifers carry peak performance cowherd building traits. Moderately framed, quiet dispositions, and Added-Value carcass returns.

Our vaccination's program is directed by Dr. Steven Hjartarson, DVM. Bangs vaccinations - December.

Compiling Superior Outcross Genetics

Apex's battery of high performance natural service sires are used in both cowherds. When making Herd Bull Selections within herd and/or introducing outside genetics, Apex's decisions are based on the bulls ability to gain, soundness, scrotal development, docility, conformation and a good strong maternal background.

The Apex Angus cowherd does quite a quick turn around. At 15 months of age heifers and yearling bulls are in the breeding pastures. The steers are already on the kill floor furnishing PRIME and CHOICE carcasses.

The bulls and heifers offered in the 3/5/24 sale will keep on doing for you what they've done for years for Apex Angus, an honest and trustworthy job.

GRANDSIRE OF LOT 121

APEX ANGUS IS RAISING BEEF CATTLE

Our progeny are reaching slaughter at 13-15 months of age for maximum profitability while producing superior quality beef pounds. Apex has retained ownership for feeder evaluation of our steers and heifers for over 25 years.

SALE NOTE:

AGI's Angus GS was inadvertently not included at the time of first parentage verification test. The second test of enhanced EPD's will be available possibly February 26th at www.apexangus.com and Sale Day 03/05/24.

FIRST YEAR BREEDING GUARANTEE

All bulls selling for \$3500.00 or more will be covered 50% by Apex Angus if they are injured during their first breeding season. This guarantee does not include death as that can be insured for. Breeding season is defined as a 60-day period following the first turnout of bulls. Fifty percent of the value of the injured bull, minus one-half the salvage value, will be given credit in a future Apex Angus sale or towards a replacement bull if one is available. Salvage value, if any, will be split equally between Apex Angus and the buyer. All injured bulls must be diagnosed by a veterinarian. We also reserve the right to a second opinion by a veterinarian of our choice. Please notify us as soon as possible should injury occur and prior to the injured bull being sold for salvage. All claims must be made by September 2, 2024.
