Welcome to our 48th Annual Production Sale

This is a very exciting time of year for us seeing Friends and Customers that have been with us for many many years, along with meeting new Angus Friends. With this being said, we feel it an honor to invite you to our Annual Production Sale. Apex Angus is a complete family operation and the sale offering has all been fed and cared for right here on the ranch and evaluated daily by us personally. We have selected 120 powerful Yearling Bulls for the sale representing 40% of the total.

Also selling are 120 Commercial Yearling Heifers, out of the heart of the commercial herd. We are confident they will mature to be outstanding. These heifers are bangs vaccinated and had all other shots and will be ready for breeding. Their approximate weight will be 780 to 800 pounds.

We will also be offering Cow-Calf Pairs and Bred Cows and Heifers. You are always welcome to visit anytime and view our operation and sale offering.

Customer service and satisfaction is and always will be a high priority here at Apex. We constantly strive to produce seed stock that will benefit our commercial customer. We sometimes struggle but never forget why our industry remains committed to producing high quality cattle for the world. Along with the necessary requirement for above average carcass traits, Apex Angus will always concentrate on birth weight, weaning weight and low maintenance in our cow herd. For many years the steer calves from our commercial herd have been fed and finished at Poky Feeders in Kansas. We use the individual carcass data we receive as a tool along with numerous very important traits required for our breeding program.

Again, we are inviting you to our Production Sale. If you are unable to attend but would like to bid, please Pre-Register with Northern Video. Another option, get a hold of any of the Swanson's, Auctioneer, or any of the ring men, and your bidding will be handled with a 100% satisfaction of your purchase. Don't forget our sight unseen guarantee. The one change made reluctantly is that our Annual Pre-Sale gathering will be cancelled, but we will see you sale day with the delicious Swedish Meatball Lunch.

We sincerely thank you for the confidence so many of you have placed in Apex Angus. We remain dedicated in producing seed stock that will enhance the commercial cattleman from birth to plate.

Sincerely,
From all of us at
Apex Angus

Party Top was our pick in the 2019 Midland Bull Test Sale. His flawless structure, phenotype and performance moved him above multiple Angus bulls. A calving ease bull, 810 excels in carcass and maternal strengths. His powerful dam is one of the best at Winding River.

Selling First 120 FANCY SOLID FOUNDATION OPEN HEIFERS

These first-class very feminine deep bodied heifers carry peak performance cowherd building traits. Moderately framed, quiet dispositions, and Added-Value carcass returns.

Our vaccination's program is directed by Dr. Robert Lee, DVM.
Bangs vaccinations - December.

Compiling Superior Outcross Genetics

Apex's battery of high performance natural service sires are used in both cowherds.

When making Herd Bull Selections within herd and/or introducing outside genetics, Apex's decisions are based on the bulls ability to gain, soundness, scrotal development, docility, conformation and a good strong maternal background.

The Apex Angus cowherd does quite a quick turn around. At 15 months of age heifers and yearling bulls are in the breeding pastures. The steers are already on the kill floor furnishing PRIME and CHOICE carcasses.

The bulls and heifers offered in the 3/2/21 sale will keep on doing for you what they've done for years for Apex Angus, an honest and trustworthy job.

FIRST YEAR BREEDING GUARANTEE

All bulls selling for \$3000.00 or more will be covered 50% by Apex Angus if they are injured during their first breeding season. This guarantee does not include death as that can be insured for. Breeding season is defined as a 60-day period following the first turnout of bulls. Fifty percent of the value of the injured bull, minus one-half the salvage value, will be given credit in a future Apex Angus sale or towards a replacement bull if one is available. Salvage value, if any, will be split equally between Apex Angus and the buyer. All injured bulls must be diagnosed by a veterinarian. We also reserve the right to a second opinion by a veterinarian of our choice. Please notify us as soon as possible should injury occur and prior to the injured bull being sold for salvage. All claims must be made by September 1, 2021.
